Professional Summary :

Bachelor of Science in Computer Science student with basic knowledge of Python, SQL and C programming. Completed academic projects involving data backup System and Weather Applications System . Highly motivated to begin a career in the IT industry where I can learn, grow and contribute to a professional work environment.

Technical Skills :

Programming & Databases :

- Python (file handling, loops, functions, basic automation)
- SQL (table creation, insert, update, delete, aggregate functions)
- C Programming (arrays, loops, input/output)
- Html , CSS , JavaScript , Responsive or Interactively Designer

Tools :

- MS Excel
- MS Word , GitHub , Visual Studio code

Soft Skills :

- Communication
- Team work / Collaboration
- Problem Solving
- Adaptability
- Time Management

Projects :

Advanced To-do Applications:

- Developed a responsive To-Do web application to manage daily tasks efficiently Implemented features like add, delete, and mark tasks as completed Used local storage to save user data permanently in the browser

Designed a clean and user-friendly interface for better user experience

- Applied JavaScript for dynamic task handling and DOM manipulation
- **Live Demo** : <https://gauravjaiswal786.github.io/Advanced-To-do-Applications-/>
- **GitHub Link** : <https://github.com/gauravjaiswal786/Advanced-To-do-Applications-/>

Quiz Applications System :

- Developed an interactive quiz web application to test user knowledge through multiple-choice questions Implemented question navigation, answer selection, and score calculation functionality
- Designed a user-friendly interface for smooth quiz experience
- Applied JavaScript for dynamic content rendering and user interaction
- Displayed final score and performance at the end of the quiz
- **Live Demo** : <https://gauravjaiswal786.github.io/Quiz-Game-Applications/>
- **Github Link** : <https://github.com/gauravjaiswal786/Quiz-Game-Applications>

Weather Applications system :

- Developed a system to display real-time weather information using an external API
- Implemented city-based weather search
- Displayed current weather and forecast data
- Handled and processed API data to show accurate weather details to the user
- **Live Demo** : <https://gauravjaiswal786.github.io/live-weather-app/>
- **GitHub Link** : <https://github.com/gauravjaiswal786/live-weather-app>

Education :

- **Bachelor of Science in Computer Science (B.Sc. CS)**
Smt. Sushiladevi Deshmukh College of Arts, Science & Commerce, Mumbai
University
Final Year (TY)
- **All Semester SGPA : 1st Sem = 6.30 | 2nd Sem = 8.25 | 3rd Sem = 8.65 |**
4th Sem = 8.80 | 5th Sem = 8.15 | 6th Sem = 8.05 | Overall CGPI ---> 8.03
- **SSC (10th) : Maharashtra Board | Pass | 2020**
- **HSC (12th) : Maharashtra Board | Pass | 2023**
